Duncan,

Please find below the approval from NWL for the pre-formed chambers and sewers for Belford.

Regards,

Stephen Hunter.

Stephen,

Further to your email re the above.

I can confirm that the installation of the preformed chambers and sewers will be acceptable for the attenuation at Belford. I would be grateful if you could let me know when the work commence on-site as I would like to inspect the installation along with our Clerk of Works, Gary Barnes.

Any queries then please let me know.

Regards

Graeme Telford
