Dear Sirs,

CPM Perfect Manhole System - Product Acceptance

With reference to my letter dated 7 November 2011 I would confirm Scottish Water's agreement to the use or adoption of 'CPM perfect manhole system' for pre-constructed bases.

This acceptance is subject in all regards to conformity with the relevant edition of Sewers for Scotland applying at the time. This includes the supplementary performance and durability requirements of BS 5911 part 3

In giving product acceptance Scottish Water reserves the right to review such acceptance in all regards to conformity with Scottish Water's Standards and Specifications, the relevant edition of Sewers for Scotland, and any publications or Regulations that replaces it or as designated by Scottish Water.

Yours faithfully
